

# Steps to install Grid View for Google Meet

<b>Step 1</b>	<b>Go to Google &amp; select:</b>  <b>Google Meet Grid View</b>	 A screenshot of a Google search for "grid view google meet". The search results show two entries for "Google Meet Grid View - Google Chrome" from chrome.google.com. The first entry is dated 7 days ago and the second is dated 5 days ago. A green arrow points to the search results.
<b>Step 2</b>	<b>Click on "Add to Chrome".</b>	 A screenshot of the Chrome Web Store page for "Google Meet Grid View". The page shows the extension's name, developer "stgnole.org", and a 4.5-star rating. A green circle highlights the "Add to Chrome" button, and a green arrow points to it.
<b>Step 3</b>	<b>Click on "Add extension".</b>	 A screenshot of the Chrome Web Store page for "Google Meet Grid View" with the "Add extension" dialog box open. The dialog box has "Add extension" and "Cancel" buttons. A green circle highlights the "Add extension" button, and a green arrow points to it.
<b>Step 4</b>	<b>Successful installation of Grid View.</b>  <b>Click on "Turn on sync".</b>	 A screenshot of the Chrome Web Store page for "Google Meet Grid View" showing a notification that the extension has been added to Chrome. A green circle highlights the "Turn on sync" button, and a green arrow points to it.
<b>Step 5</b>	<b>Four Squares will appear on the top bar once Grid View is added to Chrome.</b>	 A screenshot of the Chrome browser toolbar showing the Google Meet Grid View icon. A green circle highlights the icon, and a green arrow points to it.
